

## **Panther New Tire Contractor Purchasing Program**

Effective January 1, 2024

This purchasing program is designed for Panther Contractors to receive special pricing on Goodyear commercial and consumer tires. Panther Expedited Contractor pricing is set at a net price for products listed below ONLY in the chart.

Program effective 1/1/2024 through 12/31/2024 or until notice of change or cancellation. GY Dealers see Tire-HQ for updates.

**Contractor must pay delivering supply point at time of transaction by cash, credit card or personal existing AR account. No transactions are to be billed to any Panther Expedited location or Panther Expedited National Account.**

### **Panther Contractor Purchasing Program Instructions:**

1. Check size and type of tire(s) needing replacement.
2. Call any Goodyear authorized supply point for appointment. **Program will not work at truck stops (TA/Petro/Love's/ETC).**
3. For commercial trucks, visit [goodyeartrucktires.com](http://goodyeartrucktires.com), and click on "Dealer" to find a supply point. For vans, visit [goodyearfleetnetwork.com](http://goodyearfleetnetwork.com), and click on "Dealer Locator" to find a supply point.
4. Present this program letter to the dealer to receive special pricing.
5. Independent Contractor pays dealer for tire(s) and service work performed.
6. Note: No taxes or services are included in pricing and are always extra cost, if required.

### **Goodyear Dealer Instructions:**

1. Use the info below for pricing on Commercial & Consumer Tires
2. Service work should be priced no higher than the current National Account Service Pricing
3. Invoice the Panther Contractor who will pay your store for tires and service.
4. **DO NOT** process as a National Account Delivery.
5. Submit your local invoice through your electronic system as follows:
  - Issue a Point-Of-Sale document to the Panther Contractor.
  - Use billing code "C" (Local Price Support) in Tire-HQ
  - Approval Number must be entered.
    - Dealers enter Approval Number as **N0013145** for commercial tires
      - **N0014560** will be used for passenger/light truck tires
    - Company Owned Centers enter Approval Number as **0013145N** for commercial tires
      - **0014560N** will be used for passenger/light truck tires
