How do I earn more points faster?

Open the app

Begin by downloading or logging into the myRewards Plus™ app

Activate

Push the red "activate" button on the home screen or the rewards tab at the start of each month. You can use your myRewards card or enter your account number at the pump to earn points immediately.

Fill to earn

After activating, you immediately earn 1 point per gallon. Level up your points (half a point per gallon) each time until you fill 75+ gallons to earn more.

Hit 4 points per gallon

Earning 4 points per gallon is now called Overdrive. Cruise into Overdrive after just six fills, compared to 15 fills with the other guys!

Keep fueling and earning

Once you hit Overdrive, you keep earning 4 points per gallon with every fill through the end of the month. Don't forget to pre-activate the next month so you don't miss out on points. Don't worry, we'll remind you!
